Dandos Wada,
Mandrem, Goa

Away from the hustle and bustle of thriving Northern Goa, under a canopy of coconut trees and tropical palms lies Wigwam: a serene and beautiful indoor-outdoor space to unwind, let go and reconnect to Mama Nature and oneself...

OUR STORY ...

After over a decade getting to know India, and visualising their future in Goa, Tanya Hildreth and Nic Thomson put their dreams into action in 2018, creating Wigwam, a wellness sanctuary/ getaway intended for community sharing, inner-exploration and collective collaboration. Their vision is to bring like-minded people together to celebrate, create, relax, and explore their inner and outer worlds. Both internationally travelled, and with experience in event-management, party planning, the healing arts, cooking, mixology, and community building, they bring a can-do attitude to every aspect of the Wigwam mission.

Our luxury apartments, tipis, and wooden lodges lie amidst our wild tropical gardens. Nestled between the foliage, we also have an outdoor yoga shala, health food café, a healing tipi/ zone and numerous chill-out spots! In this way, Wigwam provides the perfect setting for a relaxation and rejuvenation – a wholesome and transformational time away. With a community atmosphere and friendly staff on hand to make your stay as enjoyable and comfortable as possible, Wigwam will begin to feel like your ‘home away from home.’

Wigwam hosts facilitators from around the world specialising in the healing arts. These highly qualified individuals have shared massage therapy, breath work, cacao ceremonies, fitness workshops, raw food workshops and art/music events to name a few. We are excited to offer inspiring knowledge and practices to our global visitors within this magical setting.

At Wigwam we pride ourselves in taking a hands-on approach and offering personal services to all our guests. Just ask, and we will do all we can to make your stay nourishing and enriching.
